Subject: Invitation letter to the 25th South Pacific Bodybuilding Championships

Dear Presidents, colleagues and friends,

The South Pacific Bodybuilding Federation (SPBBF) is pleased to announce that the 25th Pacific Championships will be held from October 23-27, 2019 in Païta (New Caledonia).

We would like to thank all the members of the Organizing Committee who we know, who have been working for several months at this competition which must be a success, since bodybuilding will be deprived of the Pacific Games in Apia (Samoa) next July.

19 individual categories will be proposed as well as the category couple who will return to New Caledonia, host country of this competition. Remember that this event is major for our discipline and all the athletes, delegates, judges and officials of each Oceanian Federation.

The Team managers meeting, the judges meeting, the seminar for the judges and coaches, the Congress must be the necessary link for the relations between the different leaders that we are, our sport needs the potential and the ideas of all. It is also a moment of meeting and exchange. To note the importance of our Congress which will be elective this year. From now on, we must work within our respective Federations to be able to designate and propose future leaders who will lead the SPBBF for its future.

You will find attached to this letter, the various documents necessary for the registration of your Teams and Athletes, the program as well as the inspection report. It is essential to respect the dates of return to allow the organizers to finalize the preparation of these Championships 2019.

Recall: Affiliation fee are payable before the start of the Congress, 100 US\$ in cash for each Federation present and only in US\$ currency because of the exchange rate (memberships fee as per Article 28 alinea 4, rule book SPBBF). Thank you all in advance.

Yours in Sport,

Pierre Frogier
Président SPBBF

Roland Chodey
Secretary General

Ursula Te'o Martin
Assistant Secretary General
